THE CLEARFIELD PROGRESS WEDNESDAY EVENING JUNE 4, 1919

NUMBER 282

BOMB PLOTTERS BEING
CLOSELY ROUNDED UPU. S. DEPARTMENT OF JUSTICE AND PO-
LICE AUTHORITIES IN MANY CITIES
JAIL ANARCHIST AGITATORS

BOMB PLOTS HATCHED IN PHILA.

Police and agents of the Department of Justice are seeking an Irishman aged 35 years, and treasurer of the local I. W. W., as the maker of the bomb which late Monday wrecked the homes of a half dozen prominent citizens. It was learned from police officials here this afternoon. According to the police the Irishman was employed in a machine shop here and it is believed fashioned the bomb out of a pipe in his spare moments. The police raided the suspected home today but there was no evidence. The man's wife is seriously ill in a hospital. The man's name and address is withheld by the police.

The members of the I. W. W. and anarchists arrested here will likely be deported the police say.

PITTSBURGH, June 4—Fourteen of the fifteen suspects arrested by the police yesterday in a wholesale round up of alleged radicals following the wrecking of residences by bomb terrorists were turned over to Federal authorities today for further investigation. The other prisoners John A. Borst, aged 52, Brooklyn, N. Y., a chemist was arrested in a downtown hotel. He was held pending further investigation. He was mixing chemicals in his room when arrested by City Detectives.

NEW YORK, June 4—Police today watched a house on East 15th street named by Pittsburgh police as the New York headquarters of the anarchists suspected of being implicated in Monday night's bombing. Information as to the character of this house was said to have been obtained from John Johnson, alleged I. W. W. leader under arrest there. The East 15th Street place the police say has been known to be a gathering place for Russians and several weeks ago was raided, more than 100 being arrested. They were released with the exception of four who were held by immigration authorities.

BIG 4 DISCUSS AUSTRIAN
PEACE PROPOSALS TODAY

By LOWELL MELETT

(United Press Staff Correspondent)

PARIS, June 4—The Big Four today took up discussion of Austria's peace terms. Yesterday's conference on the German counter proposal is reported to have developed some "plain talking" especially by President Wilson, who abandoned his recent policy of aloofness in an effort to adjust differences between Premier Lloyd George and Premier Clemenceau.

CHINA BEING GIVEN CONSIDERATION

PARIS, June 4—Unverified reports were circulated today that the big four has agreed to China making reservations regarding the Shantung settlement in the German treaty.

GETTING READY FOR ACTION IN CASE OF
GERMANY'S FINAL REFUSAL TO SIGN UP

By FRED S. FERGUSON

PARIS, June 4—Neutrals as well as the Allies are making preparations to meet the situation that would be created by the refusal of Germany to sign the peace treaty. Both Norway and Switzerland made known their intention to refuse to sign any blockade agreement against Germany in the event the armistice is ended. The decision of Holland, Sweden and Denmark is expected shortly. Everything along the Rhine is reported in hair trigger readiness. Allied armies are understood to have taken up strategic positions ready for quick advance into Germany.

WILL PARADE IN PITTSBURGH

PITTSBURGH, June 4—Two units of the 80th Division, the 320th Inf. and the 315th Machine Gun Battalion will parade here tomorrow. The 319th Inf., the last unit to arrive at Camp Dix is not expected until later.

FOUND—Masonic pin. Found on corner of Third and Market. Inquire at Progress. J4-11.

One pound of wheat is of far greater value as food than a pound of meat. A pound of wheat contains about thirteen ounces of nutritive food, the remaining three ounces consisting mainly of water and fibre. A pound of the lean portion of meat contains only four ounces of nutritive food.

Buy War Savings Stamps.

COUNTRY-WIDE PROTEST AGAINST SODA TAX—These hundreds of New York school children who met in Central Park in an open air demonstration indicative of the sentiment throughout the country against the tax on Soda and Ice Cream.

ARREST ANARCHISTS
AT PITTSBURGH

Pittsburgh, June 3—After a long search, the police and detectives of this city rounded up 15 of the most dangerous I. W. W. organization men in this district, according to the officials. Their names are:

John Johnson, aged 35, secretary of local I. W. W. and notorious agitator; Lewis Batchui, aged 30; Rudolph Blum, aged 21; John Blum, aged 23; Mike Zelosto, aged 28; David Borodino; Frank Broida, aged 37; John Napishenko, aged 23; Mike Moninih; L. M. Walsh, aged 36, organizer for the I. W. W.; Adam Belleak, aged 30; Steve Barantovich, aged 36; M. Stefanko, aged 36; Dimitro Dobrodief, aged 34; and John A. Borst, aged 52. Johnson, the leader of the suspected men, made strenuous resistance to being arrested and attempted to kill Detective Jacob Eisler, who was the first of four officers to enter his office. He drew an automatic revolver and fired one shot before he was overpowered, the bullet going thru Eisler's sleeve. Johnson, it is claimed, is of Irish birth and a non-citizen, was hand-cuffed and taken to the county jail. At the scene of one of the explosions last night a pamphlet was discovered, signed, the "anarchist fighters," in which they said "there would have to be bloodshed to gain their end; there will have to be murder; we will kill because it is necessary; there will have to be destruction; we will destroy to rid the world of our tyrannous rulers."

WEDDED THIS MORNING

J. Willis Eberts, son of Mr. and Mrs. John W. Eberts, of Ogden avenue and Miss Emily Elizabeth Peters, a well known Woodland young lady, surprised their many friends this morning when they slipped quietly up to Trinity M. E. Parsonage and had Rev. Hartman say the words that united them for life.

The happy couple left on the B. & P. train at 11:45 on a wedding tour which will embrace Buffalo, Niagara Falls and the Lake cities. The young couple are well and favorably known in this section and have the best wishes of a host of friends. They will reside in Clearfield.

GEORGE S. MILLER'S FUNERAL

The remains of the late George Smith Miller were brought from Philadelphia on the 6:45 Pennsylvania train last evening and taken to his father's home on West Front street. The funeral occurred at 2 o'clock this afternoon services being conducted by Rev. Dr. E. C. Reeve, of the First Presbyterian church. Interment was made in the family plot in Hillcrest cemetery.

BORROWERS, ATTENTION!

Will the folks who borrowed the sherbet cups and small ice cream dishes from the Y. M. C. A. please return them at once?

AMERICAN FLAG
WILL RESTORE
OLD DAYS

United States Merchant Fleet
Expected To Cement Two
Countries Closer Together

SOUTH AMERICANS PLEASED

By LAWRENCE HAAS

United Press Staff Correspondent
RIO DE JANEIRO, (By Mail)—Americans here and in other Brazilian cities are awaiting the return of the "good old days" of the supremacy of the American merchant marine with a feeling of confidence in the restoration of their commercial standing mixed with a spirit of patriotism. They are hoping to see in the near future the Stars and Stripes floating from at least forty to fifty per cent of the ships in the harbors of Rio, Santos and Pernambuco, a condition that has not existed for more than a half century, since the decline of America's merchant fleet, following the Civil War, and the introduction shortly afterwards of the steel vessels by Great Britain.

The Brazilians and other South Americans were closer to the United States than to any other country in the middle and fore part of the last century, through contact with Yankee skippers of Yankee trading ships, but the neglect of America's merchant marine, which dwindled after the "Sixties" to practically nothing, coupled with the growing enterprise of the Old World in the direction of the southern continent, distracted South America's interest from their powerful sister republic in the North, and gave Europe a long lead in South America.

Only the world war succeeded in accomplishing any real results, and from the efforts of the United States Shipping Board, the United States Chamber of Commerce, the Pan-American Union, and other organizations and individuals, the outlook has again taken on a rosy hue.

In 1911 only three American vessels touched at this port, in comparison with 287 ships of American registry which entered Rio in 1858. From 1860 on there was a steady decline. Since 1911 however there was a slight though steady increase, although during the two-year period of 1912-1913 only sixteen American vessels entered Rio harbor. In 1913 the first vessel of the United States and Brazil Steamship line entered Rio. In 1914, twenty-six American vessels entered the port, but during 1915, for the first time in many years, the American ship began to come into its own again when 103 vessels made Rio.

The number of American vessels to make Rio in 1916 rose to 130. America's entry in the war naturally took most of the vessels out of the South American trade, and in 1917, 117 American vessels made entry, this declining to seventy-one ships in 1918.

Sailing vessels again came into their own temporarily, due to the necessity for using every steamship in the European war service. Of the

seventy-one American vessels which entered Rio in 1918, only seventeen were steamships.

Since the United States Shipping Board has already made provision for considerable tonnage to South America, 1919 promises to be the banner year since 1860 in the number of American vessels entering here. Between January 1, and March 7, 1919, twenty-seven vessels flying the American flag entered the port of Rio.

The registered tonnage of the vessels which entered Rio in 1918 totaled 2,737,281 tons. The ships by nationalities, follow:

Nationality	Number of vessels
English	448
French	95
Italian	64
Dutch	6
Argentine	15
Norwegian	157
Spanish	11
Swedish	24
Uruguayan	1
Belgian	4
Danish	24
Russian	2
United States	64
Greek	11
Japanese	16
Chilean	1
Portuguese	8
Brazilian	184
Total	1,128

NOTICE TO CLEARFIELDERS

It has been decided to give Clearfield county's returned service men a home-coming reception and welcome at the County Seat on Saturday, July 5th, next. Therefore, all patriotic citizens are urged to attend a town meeting to be held in the Arbitration Room of the Court House, Thursday evening, June 5th, at 8 o'clock, for the purpose of making the necessary arrangements for our part in such gathering.

Let this important matter have your attention and let there be a large attendance.

JOHN M. CHASE,
Burgess.

BRICKYARD EMPLOYE INJURED

William Swales, Jr., was painfully hurt last evening about 5 o'clock while working as a brakeman on the clay train at the Clearfield Clay Working plant in Readsville. The dinky jumped the track, wrecking the trip of cars and young Swales was caught between two cars and severely squeezed about the hips.

He was removed to the Clearfield Hospital for medical treatment but was able to return to his home today, although he will be laid up for some time.

LATEST STYLES BY AIR ROUTE

Following a schedule, beginning on Tuesday June 3rd, two Curtiss Aeroplanes will deliver shipments of Society Brand Clothes, to dealers in the territory adjacent to Chicago. Later this schedule will be extended to a radius of 500 miles.

The establishment of this service marks an epoch. It signifies the first regular employment of the aeroplane in commercial pursuits.

I adopting this 20th Century means of transportation, the makers of Society Brand Clothes, were moved by the conviction that the commercial use of the aeroplane is not only feasible, but practical for quick delivery.

JULY 4TH CELEBRATION;
CO. SOLDIERS' RECEPTION

Clearfield is arranging for a county-wide reception to our soldier boys to be held during the week of July 4th, or more properly speaking on July 5th. The Clearfield Park Association has arranged for a week's entertainment, during the entire first week in July, with an exceptionally big time on the 4th and 5th.

A carnival will be located at the Park during the week and the best program ever arranged for Clearfield will be given on July 4th and 5th. This will consist of several baseball games, motor cycle races by the most expert riders in the country and all the other trimmings which go with a real bang-up big time.

Committees have been at work mapping out the details for the past two months and their plans are now in such shape that success is assured.

By arrangements with the Aviation Branch of the War Department, Army aviators and their machines will be present to give exhibitions of flying and many war-zone stunts will be initiated for Clearfield people.

Great improvements are being made about the Park and the comfort and convenience of the huge crowds expected will be carefully looked after. The county-wide reception to the

soldiers is the thought of the townspeople generally, who have decided upon July 5th as the day for old Clearfield, the county seat, the hub of the greatest and best county in Pennsylvania, to put on her gala clothes and meet and greet the illustrious sons of the county who played such a noble and necessary part in the great world war.

Many different sections of the county will hold their home-coming receptions previous to that time, but old Clearfield will wait until all the boys are back and then give them one and all a welcome such as only loyal Clearfield and Clearfield county people can extend to the boys who did such heroic work so well.

A special program for the reception will be given, which will leave nothing to be desired in the way of entertainment, and it is hoped to have every Clearfield county soldier boy in Clearfield on this occasion.

To complete the details for the home-coming reception, and welcome Mayor Chase has called a town meeting, for the Arbitration Room of the Court House, Thursday evening, June 5th, at 8 o'clock, and all Clearfield citizens who desire to assist in this recognition of our valiant soldier boys are urged to be present.

REPUBLICAN SENATORS SEEK TO UNCOVER
"BIG BUSINESS" SUPPORT OF LEAGUE

By L. C. MARTIN

(United Press Staff Correspondent)

WASHINGTON, June 4—The League of Nations opponents are anxious to determine what, if any, part big business is playing in financing and aiding propaganda for the ratification of the covenant. The allegation was made in the Senate yesterday by Senators Borah and Lodge that the full text of the peace treaty thus far not given to the Senate or the public, is in the hands of international bankers in New York, will prove to preclude an attempt to show; first, what, if any, was the influence of "big business" in framing the treaty and the League covenant. Second, sources from which the past campaign for the League and others like it has been financed. Third, whether "big business" has sought to prevent Republican Senators opposing the League. Fourth, if so, why big business wants the League ratified.

CABLE CLOGGED BY 2,000
NAMES OF APPOINTEES

LONDON, June 2—What's clogging the cables?

The answer to this question, which agitated hundreds of American newspapermen last Monday when the world was hungering for Harry Hawker's story of his flight and rescue, is that America's governmental headquarters at the Hotel Crillon in Paris was filing 2,000 appointments of postmasters and others.

These names went by "priority cable," which means precedence over all news dispatches.

UNCLE SAM MADE MONEY
ON SEAMEN'S INSURANCE

WASHINGTON, June 4—Operation of the Marine and Seamen's Division of the War Risk Bureau, which will be discontinued now that the dangers from submarines and mines are over, resulted in a profit of more than \$17,000,000 to the Government without impairment of the \$50,000,000 sinking fund provided by Congress. The division will return to the treasury department more than \$67,000,000.

N. Y. C. EMPLOYEES HELMET

A German Helmet has been left at this office for disposition by and among the New York Central employees in the Clearfield district. Will some representative kindly call and get it for final disposal.

AGRICULTURAL BILL PASSES.

WASHINGTON, June 4—The House today passed the Agricultural Appropriations Bill carrying \$31,600,000. The vote was 345 to 1. Repeal of the day-light saving was knocked out of the bill on a point of order before it was passed.

LOST—Five Dollar Bill somewhere on Market street or in Leitinger's or Leonardson's store. Reward for return to the Progress office. 2d.

IMPERATOR IN COLLISION

NEW YORK, June 4—The U. S. S. Imperator, sister ship of the Leviathan, returning to Brest after her first voyage to the United States with troops collided with the freighter Agwidale, 45 miles off Nantucket, at 2 o'clock this morning, according to a wireless message received by the army transportation communication office from the U. S. S. Tiger. The Tiger which picked up the S. O. S. of the Agwidale proceeded to her assistance. The Imperator, not seriously damaged, is continuing on her course. The Agwidale is not believed to be badly damaged and reported that she probably would be able to make the trip alone.

ATLANTA TELEGRAPHERS
STRIKE

ATLANTA, GA., June 4—Western Union telegraph operators in Atlanta struck at 11 o'clock this morning. The strike was decided, it was said, to support striking telephone operators and to obtain adjustment of telegraph grievances.

W.C.T.U. DUES SOCIAL

The annual Dues Social and a reception for new members will be held in the Lutheran church Thursday evening at 8 o'clock. All members please come. A short program will be rendered and refreshments served.

MUSTERED OUT SUNDAY OR
MONDAY

According to reports received from Camp Dix, there is no chance of the Clearfield boys in the 305th Ammunition Train of the 80th Division being mustered out of service before Sunday or Monday next.

Mrs. Thomas P. Duckett, was taken to the Clearfield Hospital yesterday for medical treatment in preparation for an operation.

SOME CARVING NECESSARY

Calculations to see how appropriation bills carrying more than \$125,000,000 can be made to fit in less than \$95,000,000 are being made by members of the House Appropriations Committee as a preliminary to reporting out the hundreds of bills for charitable, educational and similar institutions and objects. While no determination has been reached as to how much money can be appropriation it is believed that the \$95,000,000 limit mentioned by Governor William C. Sroul will stand in the long run as Auditor General Charles A. Snyder is confident he can raise that sum if given the legislation he asks. The revision will be made as soon as possible and considered by men active in legislative affairs during the coming week and the Governor will then have a further conference with fiscal officers. It is the plan at the Capitol to clear up the revenue problem this week and have appropriation bills next week.

WRONG ALL OVER

The post office department is reported unable to pay insurance claims for lost parcels insured by the senders because the money has not been appropriated by Congress. A little efficiency on the part of Mr. Burleson might have cut down the number of lost parcels which now number 170,000 and it is remembered that it was a procrastinating democratic Congress which failed to vote the necessary money. Why "pass the buck?"

AMERICAN EFFICIENCY

(From the Philadelphia Record)

It was a wise little dose of psychology that the Second regiment of engineers at Coblenz administered to the Germans on Sunday when they bridged the Rhine in just one minute less than one hour. A German major testified that when his people, in their retreat moved back across the Rhine their engineers using the same material, bridged the river in four hours and thought it a particularly rapid job. Two weeks ago another regiment of American engineers cut the time in half, and greatly amazed the Germans. Now that record, in turn, has been halved—and a little better. This will not only amaze the Germans, but make them think.

MUCH MORE TO LEARN

With many of the suggestions of the President in his message to Congress, there will be no disagreement. The suggestions were so manifestly appropriate that any high-school student who has kept in touch with public affairs would have made them in much the same manner the President did. They are suggestions that have been made and discussed by all the newspapers of the country for months past. Read over the message again and you will see that this is absolutely true. In one respect, however, the President is in error. He says that the tariff question "has been exhaustively investigated by the tariff commission." The tariff commission has investigated a few phases of the tariff question, under the abnormal conditions of war. Its investigation is by no means complete, nor is it of more than helpful value as a basis for legislation. The facts gathered on several subjects will be of some use to Congress, but they cannot be depended upon as a basis for final action upon any subject. If Congress is to legislate advisedly, it must secure and consider additional facts made pertinent by restoration of peace conditions.

Ready To Serve Business Men

The bank for the business man is one that is able and willing to take care of his wants, to lend him the money he requires for the legitimate needs of his business.

The County National Bank with invested capital of over \$1,200,000 and resources of more than Six Million Dollars, is large and strong enough to care for the needs of the business community.

Its officers and directors are interested in the advancement of this district. They are glad to offer to conservative business men, the advantage of an alliance with an old and capably managed bank.

Your account is invited.

POLITICAL Announcements PRIMARY ELECTION

Wednesday, Sept. 17, 1919

FOR COUNTY COMMISSIONER

I'M OUT FOR COMMISSIONER

Last time I needed only 80 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th

HARRY L. JONES, Clearfield, Pa.

TO THE VOTERS OF CLEARFIELD COUNTY

I wish to state that I am a candidate for re-election to the office of County Commissioner on the Democratic ticket.

I do not expect to be able to make a general canvass of the County, as the duties of the office require practically all my time in Clearfield, and I don't feel that I should neglect my official duties to the extent required to make a general canvass.

I thank all who contributed to my nomination and election four years ago and solicit the vote and hearty cooperation of the Democratic voters at the coming primaries.

AUSTIN HANEY.

FOR REGISTER & RECORDER

We are authorized to announce the name of Tone Evans of DuBois, as a candidate for the office of Register and Recorder subject to the action of the Republican primary election. P. O. Address, DuBois, Pa. j3-eod.

FRANKLIN FORGOTTEN STATE

Organized When North Carolina Threw It Off—Became Tennessee.

Once upon a time there was a state of the Union that everybody had forgotten. It was named after an eminent citizen of Philadelphia, and was completely organized politically, with a governor, a legislature, courts of justice and even a body of militia.

It came about in this wise. In 1776 a few thousand settlers in a wild mountain region of what was destined some day to be Tennessee asked the legislature of North Carolina to annex the territory in question. This was done and it remained a part of North Carolina until the close of the Revolution. Then the Legislature of North Carolina ceded it to the federal government—not at all at solicitation of the latter, but merely to get rid of it, as a means of reducing administrative expenses. It was designated as the District of Washington, and the only condition attached to the gift was that Uncle Sam should approve of the bargain within two years.

The settlers, who had not been consulted in the matter, objected vehemently. They called a convention, which met in August, 1784, and formed the state of Franklin. Thereupon, the Legislature of North Carolina, annexed it, but the people of Franklin declined to accept this second adoption. They chose as governor John Sevier, a famous frontiersman, who was duly inaugurated at Watuga, in March of the following year.

Unfortunately for the new state bitter political quarrels arose. Two factions struggled for the mastery each in turn seizing and carrying off the official records. The courts became chaotic. Wills, titles to property and other legal papers were of doubtful binding force, and even the legality of marriage was in dispute. Taxes could not be collected because taxpayers did not know to whom they could properly make payments. Finally Governor Caswell, of North Carolina, issued a proclamation declaring that the state of Franklin had no lawful government, stigmatizing its officers and adherents as rebels and demanding their surrender and acknowledgement of the authority of North Carolina. The response being a refusal, the terms of the proclamation were enforced by the troops.

Sevier was arrested and brought to trial. In the midst of the judicial proceedings he decided that he had more important business elsewhere and coolly walked out of the courtroom. Nobody thought it prudent to detain him and the prosecution ended then and there.

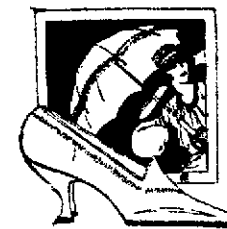

The twilight state of Franklin continued to be a part of North Carolina until 1790, when the federal government took it over. It was admitted to the Union as the state of Tennessee June 1, 1796.

Franklin, while it existed as a state, even authorized a metal coinage, a function which today is restricted to the federal government. But the money in common circulation within its borders was the pelts of wild animals. Thus at the last session of the Franklin Legislature, in October 1787, a bill was passed fixing the salary of the governor at one thousand deer-skins per annum.—Kansas City Star

Get Rid of That Persistent Cough

Stop that weakening, persistent cough or cold threatening throat or lung affection with Eckman's Alternative, the tonic and builder of 39 years' successful use. Use 3 or 4 bottles from 10¢ bottles or from ECKMAN LABORATORY, Philadelphia

The Shoes You Will Require On Your Vacation

You will surely need an extra pair or two of shoes while on your trip. Most every Woman and Miss takes at least that many pairs with her; a dainty pair or two of pumps,

RETURNING SERVICE MEN PUT SOME PEP IN MARRIAGE MART

The following marriage licenses were issued by Register Recorder Chase, the past week.

Henry Taylor, of Elmhurst, and Elizabeth C. Park, of Winborne.

Henry Graham and Sarah J. Dixon, both of Lawrence.

J. Willis Eberts, of Clearfield, and Emily Elizabeth Peters, of Woodland.

Lloyd Emerson Henry, and Mary Elizabeth Robinson, both of Duluth.

Guy L. Leach and Mae Smith, both of Duluth.

Frank Burge, Jr., and Alice E. Bradford, both of Lacoste's Mill.

Harry L. O'Brien, and Leon M. Keller, both of Duluth.

Walter J. Hafferty, and Agnes Flanagan, both of Duluth.

Harry J. Myers and Ann W. M. Reed, both of Duluth.

Hiram Hundt and Dora F. Shoop, both of Sandy Township.

Elmer S. Gault, and Mrs. Maud Lewis, both of Southland.

Harry R. Munn and Florence M. Hough, both of Duluth.

John Gavlock, of Drifting, and Elizabeth Sirade, of Snow Shoe.

The first marriage license issued in Clearfield county was taken out by Alfred H. Klear and Ella M. Turner both of Wallabtown on October 5, 1885. Since that time, or up to June 4th, there has been a total of 25,442 licenses to wed issued in this county.

That the return of the older boys has speeded up the marriage market a point or two is shown by the number of marriage licenses issued during the month of May, when just sixty-three couples received the legal authority to get hitched. During May of 1918, there were but fifty-four licenses issued.

TRAINING SCHOOL COMMENCEMENT

The annual commencement of the Training School for Nurses in connection with the Clearfield hospital which was held in the auditorium of the Clearfield High School last evening was attended by a large number of the friends of the graduates.

Following the exercises at the High School a reception was held at the Nurses' Home, where a very pleasant evening was spent by the graduates and their friends.

A class night party will be held at the Nurses' Home this evening.

Commissioner.

IN THE COURT OF COMMON PLEAS OF CLEARFIELD COUNTY, PENNA.

No. 223
May Term 1919

Robert Smith vs. Alfred Frank Smith

To Alfred Frank Smith:

You are hereby notified that the undersigned Commissioner appointed by the Court to take the testimony in the above stated case and report the same to the Court with form of decree, will sit for the purpose of his appointment at his office in the Keystone building on Second street at Clearfield, Clearfield County, Pennsylvania, on Monday, the 30th day of June, A. D. 1919, at 1 o'clock, p. m. when and where you may appear if you so desire.

A. R. CHASE,
Commissioner.

Reconstruction In Full Swing

Every State Taking Hand in Movement To Get Back to Business Of Peace

WASHINGTON, MAY 30.—United Press.—Reconstruction movements, now in full swing in every state, cover every conceivable angle of the problem of getting the nation back into peace time form, according to a survey begun soon after the armistice by the National Council for Defense.

Governors, mayors, state legislatures, churches, boy scouts, chambers of commerce, volunteer workers and civic bodies are co-operating in plans to insure a square deal for demobilized soldiers and get the factories humming again.

No state failed to figure in the survey.

Alaska, too, is helping, by offering to place 3,000 demobilized soldiers in jobs as teachers, clerks and watchmen.

A great mass of information that fills yards of filing cabinets piled ceiling high has been collected by the defense council describing the state projects. Collected and edited for early publication, the information for some states fills hundreds of pages.

Most projects aim at getting soldiers on the land as farmers and helpers.

For this work the Colorado legislature appropriated \$725,000, to be spread over a period of 20 years. The money will be administered by a board which was given \$25,000 to spend in assisting soldiers to take advantage of the offer during the first two years. Similar appropriations now being considered by legislatures of other states.

An appropriation of \$5,000,000 is provided for loans to demobilized soldiers in a bill introduced into the Iowa legislature. Under the bill a soldier could borrow more than \$2,000 and special provision was made to encourage married soldiers to take advantage of the offer. Reasonable time and terms are provided for return of the funds.

Denver is one of several cities now in the midst of campaigns to "own your own home" and help reopening of building activities.

One form of reconstruction work connected with Americanization projects is exemplified in New Bedford, Mass., where cotton millers organized to teach English to all foreign born residents. Boy scouts are planning to help.

Michigan and Ohio were among the first of the many states that called reconstruction congresses. Women are represented equally with men on a reconstruction board appointed by the governor of Michigan.

Governor Cox stole a move on Ohio congress by personal letters to 100 mayors, asking their help in creating a \$1,000,000 fund to public works to give work to the unemployed.

Twenty-five Ohio cities now have Americanization programs.

Job canvassing for returning dough boys was begun early in New York city where merchants associations combined to canvass all manufacturers and list openings. Oregon's legislature, as one of the many after-the-war measures, passed a bill prohibiting the use, not only in public, but in private schools as well, of any language except English in general instruction. The bill, however, is not intended to prevent the teaching of any needed foreign language.

Pennsylvania's legislature appropriated \$50,000,000 for road building to make work for the unemployed. Erie, Pa., undertook a building stimulation campaign and in Philadelphia a poster movement was begun to warn against selling of War Savings Stamps below their face value. Brokers, it was found, were encouraging such sales.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomain-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right, must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach, after meals, are urged to get a quarter pound of limestone phosphate from the drug store and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

VICTORY ANNOUNCEMENT

More Mileage Adjustment on Goodrich Tires

Fabrics - 6,000 Miles Cords--8,000 Miles

TO automobile owners and drivers—to Goodrich Dealers—the B. F. Goodrich Rubber Company herewith declares a more-mileage adjustment on Goodrich Tires—6,000 miles for SAFETY TREADS, and 8,000 miles for SILVERTOWN CORDS.

Fix these new Goodrich Adjustment figures firmly in your mind—6,000 miles for SAFETY TREADS—8,000 miles for SILVERTOWN—instead of the 3,500 and 5,000 miles respectively heretofore in force.

This new adjustment stands back of all Goodrich Tires, including Tires already purchased in the hands of user or dealer.

Goodrich Tires in actual usage are today unfolding such matchless mileage, regularly in excess of adjustment basis, that Goodrich knows it has the strongest, most durable tires the rubber industry has produced.

The Goodrich adjustment mileage is increased because Goodrich knows the mileage in its tires, and it wants to give every motorist a share in their economy.

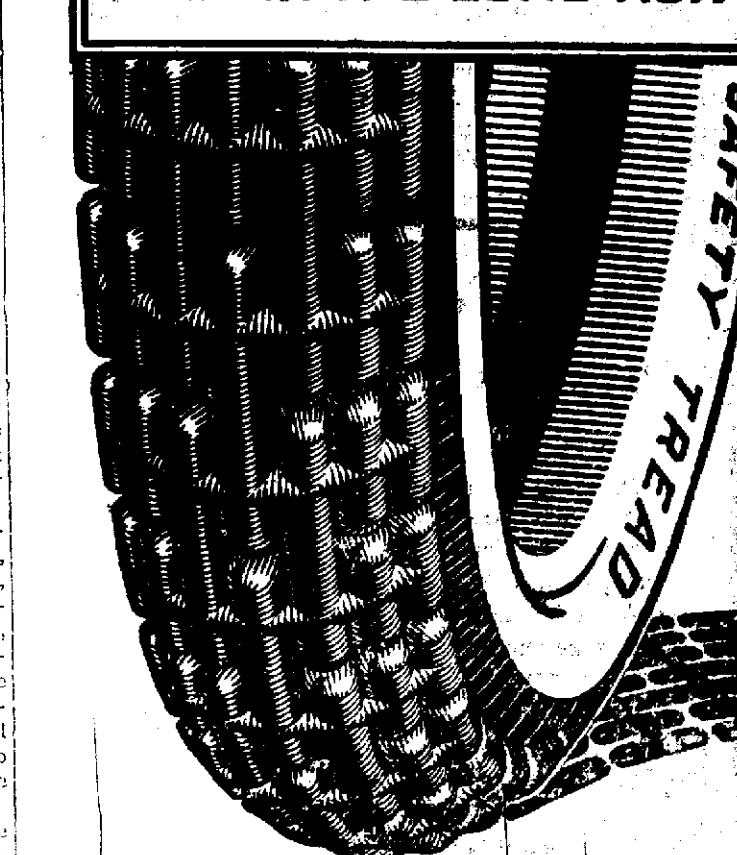

Go to a Goodrich Dealer, and buy a Goodrich Tire, sure that with fair and square usage a Safety Tread will render you at least 6,000 miles; and a Silvertown Cord at least 8,000.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

BOROUGH COUNCIL LEGISLATES FOR OUR TAXPAYERS

Borough Council met in regular session Monday evening. Only four members responded to roll call. Irvine, Strickland, Caldwell and McKinley. Not much business of importance was transacted. W. D. Gates was granted a permit to erect a brick building on Filbert street. Sale and use of all fireworks and crackers prohibited during 4th of July week, excepting that display of fire works can be held by responsible persons under direction of the burgess. The appointment by President Irvine to fill vacancies on Board of Health approved by Council, viz: Dr. Blair, H. J. Leathers and W. S. Wingert. Council voted to install a light at tannery run on the Dyer property. Authorized a street crossing at Warren Kephart's. Police report for May, showed collection of fines amounting to \$55.00. Bills for street work, etc., presented and ordered paid.

The Curwensville Hardware Company has installed a large iron tank under the sidewalk for holding gasoline. The arrangement of tank and pump attachment will make the filling of the gasoline more convenient than heretofore.

Monday evening was the regular date for holding the monthly meeting of Rescue Hose and Ladder Company but as not a sufficient number of the members were present the meeting adjourned until Thursday evening.

The Victrola advertised to be chanced off by the firemen during their carnival week, is still in the committee's hands and the drawing will probably take place next week or the week after.

Dudley Cole, a former Curwensville boy and a son of John Cole, South Side, now located in Missouri, is home for a short visit to his parents.

Scott McFadden is reported to be on the sick list.

The Cassidy Coal Mines are running in full now. High grade coal is bringing a fair price, while the lower and cheaper grades are worth practically nothing.

Frank Holden, a driller for the Harbison-Walker people, now located in Jefferson county, visited relatives in town this week.

No. 20, one of the string of the Bigler mines along the river, is loading up with practical miners as fast as they can be procured. It is the intention of the owners to operate this mine to full capacity as soon as a sufficient number of miners can be secured to do so.

Mrs. McGowan, of Tyrone, visited her brother, Merritt Caldwell last week. Mr. Caldwell took her home in his auto on Sunday.

Miss Louise Higgs, who is employed at Johnstown, is home spending her vacation with her parents, Mr. and Mrs. Wm. Higgs.

The reports from the bedside of Nolan Bloom, who has been battling with an attack of typhoid fever, is that his condition is most serious and that there is little hope of his recovery.

Born, to Mr. and Mrs. John Kelly, on Monday night, a daughter.

Harry Ammerman and wife are rejoicing over the advent of a young son, which came on Monday evening.

LAW AFFECTING WOMEN

BISMARCK, N. D., June 4—The condition of women workers in North Dakota is expected to be considerably improved and their interests and welfare better protected as a result of new laws to become operative at the end of this month. One of the most important of the new measures to come into effect is that establishing the eight-hour day for all women engaged in industrial occupations. Another of the measures provides for the creation of a State welfare commission which will have the power to fix minimum wages for women employed in the various industries.

The many friends of Mrs. J. M. Chase are pleased to see her able to be out after a severe sick spell.

Sage Tea Turns Gray Hair Dark

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair, can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is its charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, and ready for use. It is called Wyeth's Sage and Sulphur Compound. This has always been considered upon to bring back the natural color and lustre of your hair.

Everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and a few more applications it becomes beautifully dark and appears glossy and lustrous.

PLAN FOR DRY WORLD.

WASHINGTON, June 4—Many prohibition advocates of international prominence have rallied here for a world's temperance congress, which was opened here today in connection with the nineteenth annual convention of the Anti-Saloon League in America. In the matter of attendance the gathering is probably the most representative in the history of the temperance movement. The principal countries of the world have sent delegates the aim being to discuss a world-wide campaign against the liquor traffic and to formulate plans and methods to carry on the campaign as an international movement.

The sessions of the Anti-Saloon League of America, which will continue several days, will be devoted primarily to the consideration of plans for the enforcement of nation-wide prohibition which is soon to come into effect. The prospect of repeal or modification of the war-time prohibition act is expected to be given only cursory discussion according to a statement of the league leaders, who declare that their canvass has shown that Congress will not seriously consider such action.

SOLDIERS IN "Y" SERVICE

PARIS, June 2—Three thousand American soldiers have applied for release from the army so that they may enter the Y.M.C.A. service in France. Sixty-seven have already been released by the military authorities and taken up their new duties with the Association, and seven hundred applications are still under consideration.

In addition to those dismissed from the army or seeking actual dismissal for the purpose of aiding in the "Y" work there are approximately 2,000 soldiers already serving the Y.M.C.A. on detached service having been detailed to the Y.M.C.A. at their own request to serve as entertainers and in various other capacities.

MRS. CHAPLIN HOSTESS

Mrs. Dale Chaplin was hostess at a dinner last evening at her home on W. Front street. Covers were laid for eight. Following the dinner two tables of bridge were in play.

NEW YORK, June 4—The stock market today receded at the opening from yesterday's close. Marine at 43 1-2, off 3-8; Mexican Petroleum 190 up 1-2; Central Leather at 100 up 1; Standard at 108 up 1; and Bethlehem B. at 81 3-8 off 1 3-8.

Mr. and Mrs. Wm. Rummings, of Pine street, entertained last evening, the Bible Class of the Baptist church after which delicious refreshments were served.

County Sealer of Weights and Measures T. J. Lowell, was over from Penfield on official business today.

C. B. Patrick of Burnside, was a business caller at the Court House this morning.

Charles H. Hyde, of Pittsburgh, transacted business at the Court House today.

WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors.

Mrs. Mary Passmore, 419 W. Front St., Clearfield says: "I suffered for a good many years with kidney trouble. Whenever an attack came on my back became lame and sore and I had a dull pain across my kidneys. My kidneys would annoy me by acting irregularly, and I would become nervous and restless. I had frequent headaches and dizzy spells, but at such times I used Doan's Kidney Pills, which I would buy at Doan's and Stewart Drug Stores, and they always gave me relief, easing the pains in my back and regulating my kidneys."

Mrs. Passmore gave the above statement Dec. 7, 1915. On Feb. 17, 1919, she added: "I think as much of Doan's Kidney Pills as I always did. I still use them occasionally with good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Passmore had. Foster-McIlburn & Co., Mfgs., Buffalo, N. Y.

Put Stomach In Fine Condition

Says Indigestion Results From an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by hyper-acidity, meaning; there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

L. Connolly of Dunville, is spending a few days with friends here.

Mrs. M. J. Roth and Mrs. Wagner, of Curwensville, were Clearfield shoppers here yesterday.

Mrs. George Andray, Ralph Andray and sister Cora, of Glen Richey, attended the Nurses' Commencement here last evening.

A Very Special Sale of Voile Dresses, at \$9.75

We might as well call this an "Economy Sale" because the dresses represent the best styles of the season, and this applies also to the trimmings as well as the materials. The price represents one of the biggest values this store has offered for the past several months. The dresses are new and in demand for immediate wear.

Women's Summer Wash Dresses at \$6.50 to \$27.50

Every one of them fashioned in the modes approved by style authorities. A woman feels that she should have a few such frocks because she would not want to wear a heavy dress during these hot summery days when such desirable wash dresses can be had at such low costs. They take a tubbing splendidly. Made of various materials such as voile, ginghams, and various colors and designs. There is a style here to please every woman's preference.

A. W. LEONARDSON CO.

Porch Shades To Keep Your Porch Cool and Pleasant

A porch shade will transform your hot, almost unbearable porch, to a cool, pleasurable part of the home, if you will spend but a small amount for the right kind of porch shades. And this kind keeps the sun out but is arranged so that the air penetrates thereby getting the benefit of all the cool breezes.

These shades are equipped with the wind-proof guides and the raising and lowering ropes work freely without tangling. Made of tough, light slats and stained green.

BOMB PLOTTERS BEING
CLOSELY ROUNDED UPU. S. DEPARTMENT OF JUSTICE AND PO-
LICE AUTHORITIES IN MANY CITIES
JAIL ANARCHIST AGITATORS

BOMB PLOTS HATCHED IN PHILA.

Police and agents of the Department of Justice are seeking an Irishman aged 35 years, and treasurer of the local I. W. W., as the maker of the bomb which late Monday wrecked the homes of a half dozen prominent citizens. It was learned from police officials here this afternoon. According to the police the Irishman was employed in a machine shop here and it is believed fashioned the bomb out of a pipe in his spare moments. The police raided the suspected home today but there was no evidence. The man's wife is seriously ill in a hospital. The man's name and address is withheld by the police.

The members of the I. W. W. and anarchists arrested here will likely be deported the police say.

PITTSBURGH, June 4—Fourteen of the fifteen suspects arrested by the police yesterday in a wholesale round up of alleged radicals following the wrecking of residences by bomb terrorists were turned over to Federal authorities today for further investigation. The other prisoners John A. Borst, aged 52, Brooklyn, N. Y., a chemist was arrested in a downtown hotel. He was held pending further investigation. He was mixing chemicals in his room when arrested by City Detectives.

NEW YORK, June 4—Police today watched a house on East 15th street named by Pittsburgh police as the New York headquarters of the anarchists suspected of being implicated in Monday night's bombing. Information as to the character of this house was said to have been obtained from John Johnson, alleged I. W. W. leader under arrest there. The East 15th Street place the police say has been known to be a gathering place for Russians and several weeks ago was raided, more than 100 being arrested. They were released with the exception of four who were held by immigration authorities.

BIG 4 DISCUSS AUSTRIAN
PEACE PROPOSALS TODAY

By LOWELL MELETT

(United Press Staff Correspondent)

PARIS, June 4—The Big Four today took up discussion of Austria's peace terms. Yesterday's conference on the German counter proposal is reported to have developed some "plain talking" especially by President Wilson, who abandoned his recent policy of aloofness in an effort to adjust differences between Premier Lloyd George and Premier Clemenceau.

CHINA BEING GIVEN CONSIDERATION

PARIS, June 4—Unverified reports were circulated today that the big four has agreed to China making reservations regarding the Shantung settlement in the German treaty.

GETTING READY FOR ACTION IN CASE OF
GERMANY'S FINAL REFUSAL TO SIGN UP

By FRED S. FERGUSON

PARIS, June 4—Neutrals as well as the Allies are making preparations to meet the situation that would be created by the refusal of Germany to sign the peace treaty. Both Norway and Switzerland made known their intention to refuse to sign any blockade agreement against Germany in the event the armistice is ended. The decision of Holland, Sweden and Denmark is expected shortly. Everything along the Rhine is reported in hair trigger readiness. Allied armies are understood to have taken up strategic positions ready for quick advance into Germany.

WILL PARADE IN PITTSBURGH

PITTSBURGH, June 4—Two units of the 80th Division, the 320th Inf. and the 315th Machine Gun Battalion will parade here tomorrow. The 319th Inf., the last unit to arrive at Camp Dix is not expected until later.

FOUND—Masonic pin. Found on corner of Third and Market. Inquire at Progress. J4-11.

One pound of wheat is of far greater value as food than a pound of meat. A pound of wheat contains about thirteen ounces of nutritive food, the remaining three ounces consisting mainly of water and fibre. A pound of the lean portion of meat contains only four ounces of nutritive food.

COUNTRY-WIDE PROTEST AGAINST SODA TAX—These hundreds of New York school children who met in Central Park in an open air demonstration indicative of the sentiment throughout the country against the tax on Soda and Ice Cream.

ARREST ANARCHISTS
AT PITTSBURGH

Pittsburgh, June 3—After a long search, the police and detectives of this city rounded up 15 of the most dangerous I. W. W. organization men in this district, according to the officials. Their names are:

John Johnson, aged 35, secretary of local I. W. W. and notorious agitator; Lewis Batchui, aged 30; Rudolph Blum, aged 21; John Blum, aged 23; Mike Zelosto, aged 28; David Borodino; Frank Broida, aged 37; John Napishenko, aged 23; Mike Moninich; L. M. Walsh, aged 36, organizer for the I. W. W.; Adam Belleak, aged 30; Steve Barantonich, aged 36; M. Stefanko, aged 36; Dimitro Dobrodief, aged 34; and John A. Borst, aged 52. Johnson, the leader of the suspected men, made strenuous resistance to being arrested and attempted to kill Detective Jacob Eisler, who was the first of four officers to enter his office. He drew an automatic revolver and fired one shot before he was overpowered, the bullet going thru Eisler's sleeve. Johnson, it is claimed, is of Irish birth and a non-citizen, was hand-cuffed and taken to the county jail. At the scene of one of the explosions last night a pamphlet was discovered, signed, the "anarchist fighters," in which they said "there would have to be bloodshed to gain their end; there will have to be murder; we will kill because it is necessary; there will have to be destruction; we will destroy to rid the world of our tyrannous rulers."

WEDDED THIS MORNING

J. Willis Eberts, son of Mr. and Mrs. John W. Eberts, of Ogden avenue and Miss Emily Elizabeth Peters, a well known Woodland young lady, surprised their many friends this morning when they slipped quietly up to Trinity M. E. Parsonage and had Rev. Hartman say the words that united them for life.

The happy couple left on the B. & P. train at 11:45 on a wedding tour which will embrace Buffalo, Niagara Falls and the Lake cities. The young couple are well and favorably known in this section and have the best wishes of a host of friends. They will reside in Clearfield.

GEORGE S. MILLER'S FUNERAL

The remains of the late George Smith Miller were brought from Philadelphia on the 6:45 Pennsylvania train last evening and taken to his father's home on West Front street. The funeral occurred at 2 o'clock this afternoon services being conducted by Rev. Dr. E. C. Reeve, of the First Presbyterian church. Interment was made in the family plot in Hillcrest cemetery.

AMERICAN FLAG
WILL RESTORE
OLD DAYS

United States Merchant Fleet
Expected To Cement Two
Countries Closer Together

SOUTH AMERICANS PLEASED

By LAWRENCE HAAS

United Press Staff Correspondent
RIO DE JANEIRO, (By Mail)—Americans here and in other Brazilian ports are awaiting the return of the "good old days" of the supremacy of the American merchant marine with a feeling of confidence in the restoration of their commercial standing mixed with a spirit of patriotism. They are hoping to see in the near future the Stars and Stripes floating from at least forty to fifty per cent of the ships in the harbors of Rio, Santos and Pernambuco, a condition that has not existed for more than a half century, since the decline of America's merchant fleet, following the Civil War, and the introduction shortly afterwards of the steel vessels by Great Britain.

The Brazilians and other South Americans were closer to the United States than to any other country in the middle and fore part of the last century, through contact with Yankee skippers of Yankee trading ships, but the neglect of America's merchant marine, which dwindled after the "Sixties" to practically nothing, coupled with the growing enterprise of the Old World in the direction of the southern Continent, distracted South America's interest from their powerful sister republic in the North, and gave Europe a long lead in South America.

Only the world war succeeded in accomplishing any real results, and from the efforts of the United States Shipping Board, the United States Chamber of Commerce, the Pan-American Union, and other organizations and individuals, the outlook has again taken on a rosy hue.

In 1911 only three American vessels touched at this port, in comparison with 287 ships of American registry which entered Rio in 1858. From 1860 on there was a steady decline. Since 1911 however there was a slight though steady increase, although during the two-year period of 1912-1913 only sixteen American vessels entered Rio harbor. In 1913 the first vessel of the United States and Brazil Steamship line entered Rio. In 1914, twenty-six American vessels entered the port, but during 1915, for the first time in many years, the American ship began to come into its own again when 103 vessels made Rio.

The number of American vessels to make Rio in 1916 rose to 130. America's entry in the war naturally took most of the vessels out of the South American trade, and in 1917, 117 American vessels made entry, this declining to seventy-one ships in 1918.

Sailing vessels again came into their own temporarily, due to the necessity for using every steamship in the European war service. Of the

seventy-one American vessels which entered Rio in 1918, only seventeen were steamships.

Since the United States Shipping Board has already made provision for considerable tonnage to South America, 1919 promises to be the banner year since 1860 in the number of American vessels entering here. Between January 1, and March 7, 1919, twenty-seven vessels flying the American flag entered the port of Rio.

The registered tonnage of the vessels which entered Rio in 1918 totaled 2,737,281 tons. The ships by nationalities, follow:

Nationality	Number of vessels
English	448
French	93
Italian	64
Dutch	6
Argentine	15
Norwegian	157
Spanish	11
Swedish	24
Uruguayan	1
Belgian	4
Danish	24
Russian	2
United States	64
Greek	11
Japanese	16
Chilean	1
Portuguese	1
Brazilian	184
Total	1,128

NOTICE TO CLEARFIELDERS

It has been decided to give Clearfield county's returned service men a home-coming reception and welcome at the County Seat on Saturday, July 5th, next. Therefore, all patriotic citizens are urged to attend a town meeting to be held in the Arbitration Room of the Court House, Thursday evening, June 5th, at 8 o'clock, for the purpose of making the necessary arrangements for our part in such gathering.

Let this important matter have your attention and let there be a large attendance.

JOHN M. CHASE,
Burgess.

BRICKYARD EMPLOYEE INJURED

William Swales, Jr., was painfully hurt last evening about 5 o'clock while working as a brakeman on the clay train at the Clearfield Clay Working plant in Readsville. The dinky jumped the track, wrecking the trip of cars and young Swales was caught between two cars and severely squeezed about the hips.

He was removed to the Clearfield Hospital for medical treatment but was able to return to his home today, although he will be laid up for some time.

LATEST STYLES BY AIR ROUTE

Following a schedule, beginning on Tuesday June 3rd, two Curtiss Aeroplanes will deliver shipments of Society Brand Clothes, to dealers in the territory adjacent to Chicago. Later this schedule will be extended to a radius of 500 miles.

The establishment of this service marks an epoch. It signifies the first regular employment of the aeroplane in commercial pursuits.

I adopting this 20th Century means of transportation, the makers of Society Brand Clothes, were moved by the conviction that the commercial use of the aeroplane is not only feasible, but practical for quick delivery.

JULY 4TH CELEBRATION,
CO. SOLDIERS' RECEPTION

Clearfield is arranging for a county-wide reception to our soldier boys to be held during the week of July 4th, or more properly speaking on July 5th. The Clearfield Park Association has arranged for a week's entertainment, during the entire first week in July, with an exceptionally big time on the 4th and 5th.

A carnival will be located at the Park during the week and the best program ever arranged for Clearfield will be given on July 4th and 5th. This will consist of several baseball games, motor cycle races by the most expert riders in the country and all the other trimmings which go with a real bang-up big time.

Committees have been at work mapping out the details for the past two months and their plans are now in such shape that success is assured.

By arrangements with the Aviation Branch of the War Department, Army aviators and their machines will be present to give exhibitions of flying and many war-zone stunts will be initiated for Clearfield people.

Great improvements are being made about the Park and the comfort and convenience of the huge crowds expected will be carefully looked after. The county-wide reception to the

soldiers is the thought of the townspeople generally, who have decided upon July 5th as the day for old Clearfield, the county seat, the hub of the greatest and best county in Pennsylvania, to put on her gala clothes and meet and greet the illustrious sons of the county who played such a noble and necessary part in the great world war.

Many different sections of the county will hold their home-coming receptions previous to that time, but old Clearfield will wait until all the boys are back and then give them one and all a welcome such as only loyal Clearfield and Clearfield county people can extend to the boys who did such heroic work so well.

A special program for the reception will be given, which will leave nothing to be desired in the way of entertainment, and it is hoped to have every Clearfield county soldier boy in Clearfield on this occasion.

To complete the details for the home-coming reception, and welcome Mayor Chase has called a town meeting, for the Arbitration Room of the Court House, Thursday evening, June 5th, at 8 o'clock, and all Clearfield citizens who desire to assist in this recognition of our valiant soldier boys are urged to be present.

REPUBLICAN SENATORS SEEK TO UNCOVER
"BIG BUSINESS" SUPPORT OF LEAGUE

By L. C. MARTIN

(United Press Staff Correspondent)

WASHINGTON, June 4—The League of Nations opponents are anxious to determine what, if any, part big business is playing in financing and aiding propaganda for the ratification of the covenant. The allegation was made in the Senate yesterday by Senators Borah and Lodge that the full text of the peace treaty thus far not given to the Senate or the public, is in the hands of international bankers in New York, will prove to preclude an attempt to show; first, what, if any, was the influence of "big business" in framing the treaty and the League covenant. Second, sources from which the past campaign for the League and others like it has been financed. Third, whether "big business" has sought to prevent Republican Senators opposing the League. Fourth, if so, why big business wants the League ratified.

CABLE CLOGGED BY 2,000
NAMES OF APPOINTEES

LONDON, June 2—What's clogging the cables?

The answer to this question, which agitated hundreds of American newspapermen last Monday when the world was hungering for Harry Hawker's story of his flight and rescue, is that America's governmental headquarters at the Hotel Crillon in Paris was filing 2,000 appointments of postmasters and others.

These names went by "priority cable," which means precedence over all news dispatches.

UNCLE SAM MADE MONEY
ON SEAMEN'S INSURANCE

WASHINGTON, June 4—Operation of the Marine and Seamen's Division of the War Risk Bureau, which will be discontinued now that the dangers from submarines and mines are over, resulted in a profit of more than \$17,000,000 to the Government without impairment of the \$50,000,000 sinking fund provided by Congress. The division will return to the treasury department more than \$67,000,000.

N. Y. C. EMPLOYEES HELMET

A German Helmet has been left at this office for disposition by and among the New York Central employees in the Clearfield district. Will some representative kindly call and get it for final disposal.

AGRICULTURAL BILL PASSES.

WASHINGTON, June 4—The House today passed the Agricultural Appropriations Bill carrying \$31,600,000. The vote was 345 to 1. Repeal of the day-light saving was knocked out of the bill on a point of order before it was passed.

LOST—Five Dollar Bill somewhere on Market street or in Leitinger's or Leonardson's store. Reward for return to the Progress office. 2d.

IMPERATOR IN COLLISION

NEW YORK, June 4—The U. S. S. Imperator, sister ship of the Leviathan, returning to Brest after her first voyage to the United States with troops collided with the freighter Agwidale, 45 miles off Nantucket, at 2 o'clock this morning, according to a wireless message received by the army transportation communication office from the U. S. S. Tiger. The Tiger which picked up the S. O. S. of the Agwidale proceeded to her assistance. The Imperator, not seriously damaged, is continuing on her course. The Agwidale is not believed to be badly damaged and reported that she probably would be able to make the trip alone.

ATLANTA TELEGRAPHERS
STRIKE

ATLANTA, GA., June 4—Western Union telegraph operators in Atlanta struck at 11 o'clock this morning. The strike was decided, it was said, to support striking telephone operators and to obtain adjustment of telegraph grievances.

W.C.T.U. DUES SOCIAL

The annual Dues Social and a reception for new members will be held in the Lutheran church Thursday evening at 8 o'clock. All members please come. A short program will be rendered and refreshments served.

MUSTERED OUT SUNDAY OR
MONDAY

According to reports received from Camp Dix, there is no chance of the Clearfield boys in the 305th Ammunition Train of the 80th Division being mustered out of service before Sunday or Monday next.

Mrs. Thomas P. Duckett, was taken to the Clearfield Hospital yesterday for medical treatment in preparation for an operation.

SOME CARVING NECESSARY

Calculations to see how appropriation bills carrying more than \$125,000,000 can be made to fit in less than \$95,000,000 are being made by members of the House Appropriations Committee as a preliminary to reporting out the hundreds of bills for charitable, educational and similar institutions and objects. While no determination has been reached as to how much money can be appropriation it is believed that the \$95,000,000 limit mentioned by Governor William C. Sroul will stand in the long run as Auditor General Charles A. Snyder is confident he can raise that sum if given the legislation he asks. The revision will be made as soon as possible and considered by men active in legislative affairs during the coming week and the Governor will then have a further conference with fiscal officers. It is the plan at the Capitol to clear up the revenue problem this week and have appropriation bills next week.

WRONG ALL OVER

The post office department is reported unable to pay insurance claims for lost parcels insured by the senders because the money has not been appropriated by Congress. A little efficiency on the part of Mr. Burleson might have cut down the number of lost parcels which now number 170,000 and it is remembered that it was a procrastinating democratic Congress which failed to vote the necessary money. Why "pass the buck?"

AMERICAN EFFICIENCY

(From the Philadelphia Record)

It was a wise little dose of psychology that the Second regiment of engineers at Coblenz administered to the Germans on Sunday when they bridged the Rhine in just one minute less than one hour. A German major testified that when his people, in their retreat moved back across the Rhine their engineers using the same material, bridged the river in four hours and thought it a particularly rapid job. Two weeks ago another regiment of American engineers cut the time in half, and greatly amazed the Germans. Now that record, in turn, has been halved—and a little better. This will not only amaze the Germans, but make them think.

MUCH MORE TO LEARN

With many of the suggestions of the President in his message to Congress, there will be no disagreement. The suggestions were so manifestly appropriate that any high-school student who has kept in touch with public affairs would have made them in much the same manner the President did. They are suggestions that have been made and discussed by all the newspapers of the country for months past. Read over the message again and you will see that this is absolutely true. In one respect, however, the President is in error. He says that the tariff question "has been exhaustively investigated by the tariff commission." The tariff commission has investigated a few phases of the tariff question, under the abnormal conditions of war. Its investigation is by no means complete, nor is it of more than helpful value as a basis for legislation. The facts gathered on several subjects will be of some use to Congress, but they cannot be depended upon as a basis for final action upon any subject. If Congress is to legislate advisedly, it must secure and consider additional facts made pertinent by restoration of peace conditions.

Ready To Serve Business Men

The bank for the business man is one that is able and willing to take care of his wants, to lend him the money he requires for the legitimate needs of his business.

The County National Bank with invested capital of over \$1,200,000 and resources of more than Six Million Dollars, is large and strong enough to care for the needs of the business community.

Its officers and directors are interested in the advancement of this district. They are glad to offer to conservative business men, the advantage of an alliance with an old and capably managed bank.

Your account is invited.

POLITICAL Announcements PRIMARY ELECTION Wednesday, Sept. 17, 1919

FOR COUNTY COMMISSIONER

I'M OUT FOR COMMISSIONER

Last time I needed only 80 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th

HARRY L. JONES,
Clearfield, Pa.

TO THE VOTERS OF CLEARFIELD COUNTY

I wish to state that I am a candidate for re-election to the office of County Commissioner on the Democratic ticket.

I do not expect to be able to make a general canvass of the County, as the duties of the office require practically all my time in Clearfield, and I don't feel that I should neglect my official duties to the extent required to make a general canvass.

I thank all who contributed to my nomination and election four years ago and solicit the vote and hearty cooperation of the Democratic voters at the coming primaries.

AUSTIN HANEY.

FOR REGISTER & RECORDER

We are authorized to announce the name of Tone Evans of DuBois, as a candidate for the office of Register and Recorder subject to the action of the Republican primary election. P. O. Address, DuBois, Pa. j3-eod.

FRANKLIN FORGOTTEN STATE

Organized When North Carolina Threw It Off—Became Tennessee.

Once upon a time there was a state of the Union that everybody had forgotten. It was named after an eminent citizen of Philadelphia, and was completely organized politically, with a governor, a legislature, courts of justice and even a body of militia.

It came about in this wise. In 1776 a few thousand settlers in a wild mountain region of what was destined some day to be Tennessee asked the legislature of North Carolina to annex the territory in question. This was done and it remained a part of North Carolina until the close of the Revolution. Then the Legislature of North Carolina ceded it to the federal government—not at all at solicitation of the latter, but merely to get rid of it, as a means of reducing administrative expenses. It was designated as the District of Washington, and the only condition attached to the gift was that Uncle Sam should approve of the bargain within two years.

The settlers, who had not been consulted in the matter, objected vehemently. They called a convention, which met in August, 1784, and formed the state of Franklin. Thereupon, the Legislature of North Carolina, annexed it, but the people of Franklin declined to accept this second adoption. They chose as governor John Sevier, a famous frontiersman, who was duly inaugurated at Watuga, in March of the following year.

Unfortunately for the new state bitter political quarrels arose. Two factions struggled for the mastery each in turn seizing and carrying off the official records. The courts became chaotic. Wills, titles to property and other legal papers were of doubtful binding force, and even the legality of marriage was in dispute. Taxes could not be collected because taxpayers did not know to whom they could properly make payments. Finally Governor Caswell, of North Carolina, issued a proclamation declaring that the state of Franklin had no lawful government, stigmatizing its officers and adherents as rebels and demanding their surrender and acknowledgement of the authority of North Carolina. The response being a refusal, the terms of the proclamation were enforced by the troops.

Sevier was arrested and brought to trial. In the midst of the judicial proceedings he decided that he had more important business elsewhere and coolly walked out of the courtroom. Nobody thought it prudent to detain him and the prosecution ended then and there.

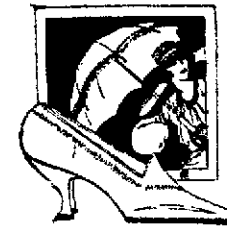

The ex-tumble state of Franklin continued to be a part of North Carolina until 1790, when the federal government took it over. It was admitted to the Union as the state of Tennessee June 1, 1796.

Franklin, while it existed as a state, even authorized a metal coinage, a function which today is restricted to the federal government. But the money in common circulation within its borders was the pelts of wild animals. Thus at the last session of the Franklin Legislature, in October 1787, a bill was passed fixing the salary of the governor at one thousand deer-skins per annum.—Kansas City Star

Harry J. Myers and Ann W. M. Reed, both of Dulles.

Hiram Hundt and Dora F. Shoop, both of Sandy Township.

Elmer S. Gault, and Mrs. Maud Lewis, both of Southland.

Harry R. Munn and Florence M. Hough, both of Dulles.

John Gavlock, of Drifting, and Elizabeth Sirade, of Snow Shoe.

The first marriage license issued in Clearfield county was taken out by Alfred H. Klear and Ella M. Turner both of Wallbucktown on October 5, 1885. Since that time, or up to June 4th, there has been a total of 25,442 licenses to wed issued in this county.

That the return of the older boys has speeded up the marriage market a point or two is shown by the number of marriage licenses issued during the month of May, when just sixty-three couples received the legal authority to get hitched. During May of 1918, there were but fifty-four licenses issued.

TRAINING SCHOOL COMMENCEMENT

The annual commencement of the Training School for Nurses in connection with the Clearfield hospital which was held in the auditorium of the Clearfield High School last evening was attended by a large number of the friends of the graduates.

Following the exercises at the High School a reception was held at the Nurses' Home, where a very pleasant evening was spent by the graduates and their friends.

A class night party will be held at the Nurses' Home this evening.

COMMISSIONER'S NOTICE

In the Court of Quarter Sessions of Clearfield County, No. 91, May Sessions, 1919.

Jordan Township into two election precincts.

The undersigned commissioner having been appointed by said Court to investigate and report to the Court with his recommendations in the above-mentioned petition hereby gives notice that he will sit for the duties of his appointment at the McCarty Hotel in the village of McCarty in Jordan Township, on Thursday, June 26, 1919, at one o'clock, p. m. when and where all parties interested may appear and be heard.

CLARENCE R. KRAMER,
Commissioner.

IN THE COURT OF COMMON PLEAS OF CLEARFIELD COUNTY, PENNA.

Roberta Smith

vs.

Alfred Frank Smith

To Alfred Frank Smith:

You are hereby notified that the undersigned Commissioner appointed by the Court to take the testimony in the above stated case and report the same to the Court with form of decree, will sit for the purpose of his appointment at his office in the Keystone building on Second street at Clearfield, Clearfield County, Pennsylvania, on Monday, the 30th day of June, A. D. 1919, at 1 o'clock, p. m. when and where you may appear if you so desire.

A. R. CHASE,
Commissioner.

Reconstruction In Full Swing

Every State Taking Hand in Movement To Get Back to Business Of Peace

WASHINGTON, MAY 30.—United Press.—Reconstruction movements, now in full swing in every state, cover every conceivable angle of the problem of getting the nation back into peace time form, according to a survey begun soon after the armistice by the National Council for Defense.

Governors, mayors, state legislatures, churches, boy scouts, chambers of commerce, volunteer workers and civic bodies are co-operating in plans to insure a square deal for demobilized soldiers and get the factories humming again.

No state failed to figure in the survey. Alaska, too, is helping, by offering to place 3,000 demobilized soldiers in jobs as teachers, clerks and watchmen.

A great mass of information that fills yards of filing cabinets piled ceiling high has been collected by the defense council describing the state projects. Collected and edited for early publication, the information for some states fills hundreds of pages.

Most projects aim at getting soldiers on the land as farmers and helpers.

For this work the Colorado legislature appropriated \$725,000, to be spread over a period of 20 years. The money will be administered by a board which was given \$25,000 to spend in assisting soldiers to take advantage of the offer during the first two years. Similar appropriations now being considered by legislatures of other states.

An appropriation of \$5,000,000 is provided for loans to demobilized soldiers in a bill introduced into the Iowa legislature. Under the bill a soldier could borrow more than \$2,000 and special provision was made to encourage married soldiers to take advantage of the offer. Reasonable time and terms are provided for return of the funds.

Denver is one of several cities now in the midst of campaigns to "own your own home" and help reopening of building activities.

One form of reconstruction work connected with Americanization projects is exemplified in New Bedford, Mass., where cotton millers organized to teach English to all foreign born residents. Boy scouts are planning to help.

Michigan and Ohio were among the first of the many states that called reconstruction congresses. Women are represented equally with men on a reconstruction board appointed by the governor of Michigan.

Governor Cox stole a move on Ohio congress by personal letters to 100 mayors, asking their help in creating a \$1,000,000 fund to public works to give work to the unemployed.

Twenty-five Ohio cities now have Americanization programs.

Job canvassing for returning dough boys was begun early in New York city where merchants associations combined to canvass all manufacturers and list openings. Oregon's legislature, as one of the many after-the-war measures, passed a bill prohibiting the use, not only in public, but in private schools as well, of any language except English in general instruction. The bill, however, is not intended to prevent the teaching of any needed foreign language.

Pennsylvania's legislature appropriated \$50,000,000 for road building to make work for the unemployed. Erie, Pa., undertook a building stimulation campaign and in Philadelphia a poster movement was begun to warn against selling of War Savings Stamps below their face value. Brokers, it was found, were encouraging such sales.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomain-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right, must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach, after meals, are urged to get a quarter pound of limestone phosphate from the drug store and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

VICTORY ANNOUNCEMENT

More Mileage Adjustment on Goodrich Tires

Fabrics - 6,000 Miles Cords--8,000 Miles

TO automobile owners and drivers—to Goodrich Dealers—the B. F. Goodrich Rubber Company herewith declares a more-mileage adjustment on Goodrich Tires—6,000 miles for SAFETY TREADS, and 8,000 miles for SILVERTOWN CORDS.

Fix these new Goodrich Adjustment figures firmly in your mind—6,000 miles for SAFETY TREADS—8,000 miles for SILVERTOWN—instead of the 3,500 and 5,000 miles respectively heretofore in force.

This new adjustment stands back of all Goodrich Tires, including Tires already purchased in the hands of user or dealer.

Goodrich Tires in actual usage are today unfolding such matchless mileage, regularly in excess of adjustment basis, that Goodrich knows it has the strongest, most durable tires the rubber industry has produced.

The Goodrich adjustment mileage is increased because Goodrich knows the mileage in its tires, and it wants to give every motorist a share in their economy.

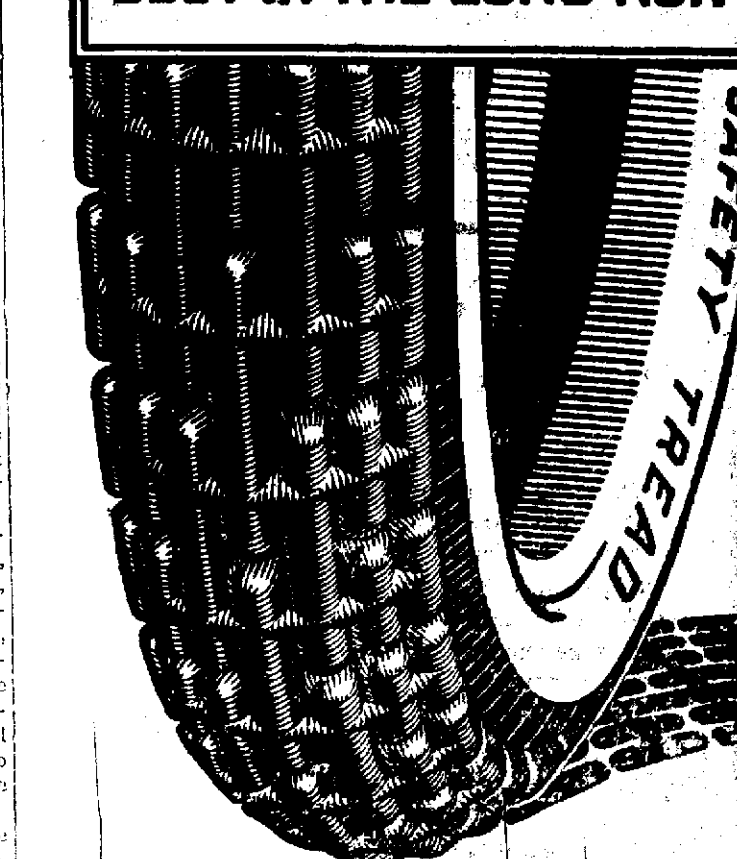

Go to a Goodrich Dealer, and buy a Goodrich Tire, sure that with fair and square usage a Safety Tread will render you at least 6,000 miles; and a Silvertown Cord at least 8,000.

Buy Goodrich Tires from a Dealer

NEWS OF OUR NEIGHBORS

CURWENSVILLE

BOROUGH COUNCIL LEGISLATES FOR OUR TAXPAYERS

Borough Council met in regular session Monday evening. Only four members responded to roll call. Irvine, Strickland, Caldwell and McKinley. Not much business of importance was transacted. W. D. Gates was granted a permit to erect a brick building on Filbert street. Sale and use of all fireworks and crackers prohibited during 4th of July week, excepting that display of fire works can be held by responsible persons under direction of the burgess. The appointment by President Irvine to fill vacancies on Board of Health approved by Council, viz: Dr. Blair, H. J. Leathers and W. S. Wingert. Council voted to install a light at tannery run on the Dyer property. Authorized a street crossing at Warren Kephart's. Police report for May, showed collection of fines amounting to \$55.00. Bills for street work, etc., presented and ordered paid.

The Curwensville Hardware Company has installed a large iron tank under the sidewalk for holding gasoline. The arrangement of tank and pump attachment will make the filling of the gasoline more convenient than heretofore.

Monday evening was the regular date for holding the monthly meeting of Rescue Hose and Ladder Company but as not a sufficient number of the members were present the meeting adjourned until Thursday evening.

The Victrola advertised to be chanced off by the firemen during their carnival week, is still in the committee's hands and the drawing will probably take place next week or the week after.

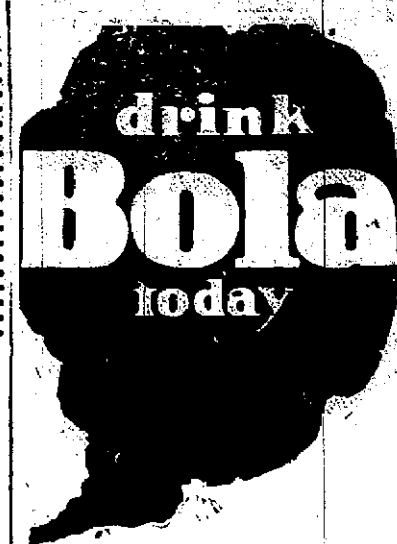

Dudley Cole, a former Curwensville boy and a son of John Cole, South Side, now located in Missouri, is home for a short visit to his parents.

Scott McFadden is reported to be on the sick list.

The Cassidy Coal Mines are running in full now. High grade coal is bringing a fair price, while the lower and cheaper grades are worth practically nothing.

Frank Holden, a driller for the Harbison-Walker people, now located in Jefferson county, visited relatives in town this week.

No. 20, one of the string of the Bigler mines along the river, is loading up with practical miners as fast as they can be procured. It is the intention of the owners to operate this mine to full capacity as soon as a sufficient number of miners can be secured to do so.

Mrs. McGowan, of Tyrone, visited her brother, Merritt Caldwell last week. Mr. Caldwell took her home in his auto on Sunday.

Miss Louise Higgs, who is employed at Johnstown, is home spending her vacation with her parents, Mr. and Mrs. Wm. Higgs.

The reports from the bedside of Nolan Bloom, who has been battling with an attack of typhoid fever, is that his condition is most serious and that there is little hope of his recovery.

Born, to Mr. and Mrs. John Kelly, on Monday night, a daughter.

Harry Ammerman and wife are rejoicing over the advent of a young son, which came on Monday evening.

LAW AFFECTING WOMEN

BISMARCK, N. D., June 4—The condition of women workers in North Dakota is expected to be considerably improved and their interests and welfare better protected as a result of new laws to become operative at the end of this month. One of the most important of the new measures to come into effect is that establishing the eight-hour day for all women engaged in industrial occupations. Another of the measures provides for the creation of a State welfare commission which will have the power to fix minimum wages for women employed in the various industries.

The many friends of Mrs. J. M. Chase are pleased to see her able to be out after a severe sick spell.

Sage Tea Turns Gray Hair Dark

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair, can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is its charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, and ready for use. It is called Wyeth's Sage and Sulphur Compound. This has always been depended upon to bring back the natural color and lustre of your hair.

Everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and a few more applications it becomes beautifully dark and appears glossy and lustrous.

PLAN FOR DRY WORLD.

WASHINGTON, June 4—Many prohibition advocates of international prominence have rallied here for a world's temperance congress, which was opened here today in connection with the nineteenth annual convention of the Anti-Saloon League in America. In the matter of attendance the gathering is probably the most representative in the history of the temperance movement. The principal countries of the world have sent delegates the aim being to discuss a world-wide campaign against the liquor traffic and to formulate plans and methods to carry on the campaign as an international movement.

The sessions of the Anti-Saloon League of America, which will continue several days, will be devoted primarily to the consideration of plans for the enforcement of nation-wide prohibition which is soon to come into effect. The prospect of repeal or modification of the war-time prohibition act is expected to be given only cursory discussion according to a statement of the league leaders, who declare that their canvass has shown that Congress will not seriously consider such action.

SOLDIERS IN "Y" SERVICE

PARIS, June 2—Three thousand American soldiers have applied for release from the army so that they may enter the Y.M.C.A. service in France. Sixty-seven have already been released by the military authorities and taken up their new duties with the Association, and seven hundred applications are still under consideration.

In addition to those dismissed from the army or seeking actual dismissal for the purpose of aiding in the "Y" work there are approximately 2,000 soldiers already serving the Y.M.C.A. on detached service having been detailed to the Y.M.C.A. at their own request to serve as entertainers and in various other capacities.

MRS. CHAPLIN HOSTESS

Mrs. Dale Chaplin was hostess at a dinner last evening at her home on W. Front street. Covers were laid for eight. Following the dinner two tables of bridge were in play.

NEW YORK, June 4—The stock market today receded at the opening from yesterday's close. Marine at 43 1/2, off 3/8; Mexican Petroleum 190 up 1/2; Central Leather at 100 up 1; Standard at 108 up 1; and Bethlehem B. at 81 3/8 off 1 3/8.

Mr. and Mrs. Wm. Rummings, of Pine street, entertained last evening, the Bible Class of the Baptist church after which delicious refreshments were served.

County Sealer of Weights and Measures T. J. Lowell, was over from Penfield on official business today.

C. B. Patrick of Burnside, was a business caller at the Court House this morning.

Charles H. Hyde, of Pittsburgh, transacted business at the Court House today.

WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors.

Mrs. Mary Passmore, 419 W. Front St., Clearfield says: "I suffered for a good many years with kidney trouble. Whenever an attack came on my back became lame and sore and I had a dull pain across my kidneys. My kidneys would annoy me by acting irregularly, and I would become nervous and restless. I had frequent headaches and dizzy spells, but at such times I used Doan's Kidney Pills, which I would buy at Doan's and Stewart Drug Stores, and they always gave me relief, easing the pains in my back and regulating my kidneys."

Mrs. Passmore gave the above statement Dec. 7, 1915. On Feb. 17, 1919, she added: "I think as much of Doan's Kidney Pills as I always did. I still use them occasionally with good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Passmore had. Foster-McIlburn & Co., Mfgs., Buffalo, N. Y.

Put Stomach In Fine Condition

Says Indigestion Results From an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

L. Connelly of Dunville, is spending a few days with friends here.

Mrs. M. J. Roth and Mrs. Wagner, of Curwensville, were Clearfield shoppers here yesterday.

A Very Special Sale of Voile Dresses, at \$9.75

We might as well call this an "Economy Sale" because the dresses represent the best styles of the season, and this applies also to the trimmings as well as the materials. The price represents one of the biggest values this store has offered for the past several months. The dresses are new and in demand for immediate wear.

Women's Summer Wash Dresses at \$6.50 to \$27.50

Every one of them fashioned in the modes approved by style authorities. A woman feels that she should have a few such frocks because she would not want to wear a heavy dress during these hot summery days when such desirable wash dresses can be had at such low costs. They take a tubbing splendidly. Made of various materials such as voile, ginghams, and various colors and designs. There is a style here to please every woman's preference.

A. W. LEONARDSON CO.

Porch Shades To Keep Your Porch Cool and Pleasant

A porch shade will transform your hot, almost unbearable porch, to a cool, pleasurable part of the home, if you will spend but a small amount for the right kind of porch shades. And this kind keeps the sun out but is arranged so that the air penetrates thereby getting the benefit of all the cool breezes.

These shades are equipped with the wind-proof guides and the raising and lowering ropes work freely without tangling. Made of tough, light slats and stained green.
